For true fans of New Zealand Rugby

WELCOME...

The New Zealand Rugby Foundation (NZRF) is an independent charitable trust that provides financial assistance to seriously injured rugby players, their families and other areas of need within New Zealand rugby.

The NZRF Annual Test Match Luncheon is one of the main fund raising events of the year for the Foundation. On behalf of the Foundation's President DJ (John) Graham and Chairman Maurice Trapp, you are invited to participate in an afternoon of pre-Test Match fun and entertainment. With a superb level of corporate hospitality being provided by the Experience Group, the New Zealand Rugby Foundation provides you with an exclusive opportunity to personally share the day with some of the biggest names in New Zealand rugby. Following on from the successful 2008 & 2009 events where over 800 guests thoroughly enjoyed themselves, this is a truly unique chance to entertain your most valued clients.

Enjoy a memorable afternoon at Eden Park and help support the Foundation in this very worthwhile annual event by purchasing a table now.
